LIFE MEMBERSHIP ELECTION PROCEDURE

Life Membership Sub Committee Appointment and Procedure

- The Sub-Committee to consist of 3 Life Members who are currently actively involved with the club and have a combined strong knowledge of the past and present membership. The composition of the Sub-Committee should vary by at least one member each season.
- The Sub-Committee shall have the authority to consider any eligible member for Life Membership. It must consider any member nominated in accordance with the Constitution.
- After due consideration of all possible candidates, the Sub-Committee will advise the Committee of its recommendation for the forwarding of one or more nominations to the Annual General Meeting, or that no nomination be forwarded that particular year.
- The Sub-Committee must be in unanimous agreement before a recommendation of a candidate can be forwarded to the Committee. Details of the candidate's service are to be included with such recommendation.
- The Sub-Committee's recommendation shall not refer to any unsuccessful candidate or member. A Club Executive member may privately request a list of those members unsuccessfully considered.
- The Committee will consider the recommendations as per the Constitution and if a candidate is approved, forward the nomination onto the AGM."

Note: The policy would be subject to Committee amendment as per all other club policies.

Voted on accepted and minuted at the Committee Meeting of 10/5/2021
